25X1

1. On 1 December the government-controlled Shanghai Stone-Crushing Company at 200 Kiukiang Road, Shanghai, hired about 1,000 laborers to excavate at the base of two mountains north of Sungchiang (121-15, 31-01). Approximately 10 tons of explosives are to be used during the month on the project. The company has 24 stone-crushers each capable of crushing 50 tons of stone per day.
2. In mid-December all cement produced by government and private cement factories in Shanghai was being commandeered by Communist authorities.

This document is hereby regraded to  
CONFIDENTIAL in accordance with the  
letter of 16 October 1978 from the  
Director of Central Intelligence to the
